Subject: Status of RSVPs for SI External Stakeholder meeting.

- Francesca Grifo is ill today. We have postponed the EPA internal conversation with the Scientific Integrity Official

- Invitations

- 54 invitations were sent out on May 8th. As planned, ACC forwarded our invitation to their staff and included it in their weekly membership newsletter.

- 52 invitations have been sent out since May 31st. We will be extending invitations to 5 additional groups later today.

- RSVPs – we’ve received 19 accepted and 3 tentative RSVPs. Seven accepted RSVPs are from organizations representing the regulated community.

- Details on the invitations are provided below. A dark green highlight indicates that we have an RSVP to attend, and a light green highlight indicates that we have received a “tentative” response. Please note that the meeting room is limited in size as we don’t expect more than 20 organizational representatives to attend in person.

On June 5th we invited the following organizations via one or more identified POCs. The American Water Works Association responded that they have a company-wide meeting on that day, but would like the information forwarded to them after the meeting.

American Water Works Association
American Wood Council
The Heartland Institute

On June 1st we invited the following organizations via one or more identified POCs:

American Forest and Paper Association
American Gas Association
American Petroleum Institute
Association of Public Health Laboratories
Association of State and Territorial
Health Officials
Edison Electric Institute
Electric Power Research Institute
Environmental Council of the States
GE
ILSI
Lyondell Basell

On May 31st we invited the following organizations via one or more identified POCs.

ACMA
Afton Chemical Corporation
American Beverage Association
American Chemistry Council
Conrad Law and Policy Counsell
Council Producers and Distributors of Ag
CropLife America
Dow Corning
Dupont
ExxonMobil
FMC Corporation
Hexion
ICF
Monsanto
Naphthalene Council, Inc.
Proctor and Gamble
Public Member ACC SST
Regnet Environmental Services
Shell Oil Company
Summit Tox
The Dow Chemical Company

The Johns Hopkins University

On May 8th we invited the following organizations via one or more identified POCs.

American Chemistry Council
American Association for the
Advancement of Science
American Chemical Society
American Federation of Labor and
Congress of Industrial Organizations
American Geophysical Union
American Lung Association
Center for American Progress
Center for Progressive Reform
Demos
Earthjustice
